

Case Study

Client : **Nando's**
Contract : **JCT Design and Build**
Value : **£1 million**
Duration of Project : **13 weeks**

HCM Have successfully completed another restaurant for Nando's at Great Portland Street, London.

The works involved demolition, major alterations, re-modelling and new fit out to this former two story Lloyds Bank, within budget and programme.

Some of the unusual features/ fittings included:

"Zinc " Bar and canopies

Use of scaffold boards as a ceiling feature

Sand blasted oak featured wall

"Car Style" seating (Jaguar car seats) using scaffolding poles as framework supports

Bespoke metal table's, again using scaffolding as pedestals'

A quirky customer "bucket" hand wash facility

"Beach Hut style "toilets

New frontages to both of the restaurant entrances
